~ ~ NEWS FROM OUR ALUMNAE ~ ~

We are happy to share the news gathered from SHA Alumnae. Many of you send notes throughout the year, and some update us when we gather at Homecoming. Please send along any information and photos. Your classmates are interested to hear memories of Sacred Heart Academy, as well as news of your life since. There's a form on the back of The Echo which you can use to send us your news, or include a note when you mail your membership dues.

A special thank you for reaching out and staying in touch this past year!

Gidia Basso Fiaoni '48

(submitted by daughter Sharon Reeve)

Our beloved mom passed away on June 25, 2021. She lived 90+ beautiful years. She was very proud to be a Sacred Heart Academy Alumna. She is survived by three daughters, 11 grandchildren and 11 great-grandchildren. She is greatly missed.

Margaret Sykora Fullmer '49

(Willowbrook, IL)

Now I am unable to drive any longer – so I will miss the get together.
Best wishes!

Terry Vesely Herzog '49

(Romeoville, IL)

Enjoying 19 years at our “55 and over” community. We keep busy with various clubs and bus trips offered at our community. Car shows with '66 Chevy too. Will miss the reunion – trip planned to North Carolina. Sure hope to make it next year.

Note: Terry did make it to homecoming!

“That in all things God may be glorified” – St. Benedict of Nursia

God is good! Still maintaining stability of spiritual and physical health this particular stage of maturity; pushing almost 90. Amidst the challenges of Covid-19, human relationships are kept alive through family gatherings, phone calls, faith community events. Summer was celebrated with renewal vow of celibacy as SSCM consecrated laity and retreat with Servants of the Holy Heart of Mary at their Mother House in Kankakee.

(Somonauk, IL)

Happy to see 2 of my day student classmates this year. Hope and pray we can return for our 70th anniversary next year. It would be nice to see more classmates.

Joan Fender Pattermann '54

(Ellenton, FL)

My husband Tom and I sold our property in Illinois the end of October and are now residents of Florida, where we spend 6 months of the year. We bought property in Tennessee where we'll spend the other 6 months – we are building a home there. Our oldest Dean and his wife live in WA. Our 2nd Lori, husband, son & wife and 3 great grandchildren (a 4th the end of October) are building a home on our property in TN. We'll have 4 generations together. Our 3rd Lisa and husband live in IL. Our 4th child Lynn lives in IL, was married in Feb in TN. A grandson and wife live in IL as well as 4 other grandchildren and 2 great grandchildren.

Marcia Votsmier Fagan '54

(Fishers, IN)

So sorry I won't be able to attend homecoming. Recuperating from a fall (fractured pelvis) and don't travel well. John and I will celebrate 64 years of marriage on Oct. 11. We met at a young adult group at church, which turned out to be a good beginning for a relationship.

God blessed us with 5 children and 17 grandchildren. Our 2 youngest grandchildren went off to college this fall. We have 3 great grandchildren and another due in April.

I so appreciate the great education I received at SHA and am proud of our 3 granddaughters who are school teachers.

Carol Karvon '55

(Chicago, IL)

Nothing new to report. Surviving COVID day-to-day like most of us; hoping and praying it will soon be behind us, and our lives can return to some semblance of normalcy. Looking forward to that day.

Carol Kranz Boynton '55

(Lakeside, CA)

After graduating from SHA, I attended Moser Business College in Chicago; then married in 1957; had a daughter in 1959 (died in 1960); had three sons; first husband died; married again in 1985; retired in 1996 after 43 years of working and moved to Hawaii where my husband had a good job. He died in 1997 at age 55. I stayed in Hawaii for six years, and have been back in San Diego for 20 years. Youngest son died in 2020 at age 54.

We had another year living at Villa St. Benedict. What are the chances we would live across the street from my high school friend **Joan Esposito Norman!** This year much more has been done to beautify the grounds. Our family of 3 children, 9 grandkids who live everywhere makes SHA memories very comforting.

Karen (K.C.) Benay Cobe Watson '59

(Lisle, IL)

Finally moved to the suburbs permanently! Moved in with my daughter Angela and her family. I miss the city but get to see my 2 grandchildren! Lisle is still the same lovely town.

Mary Ann Meyer Bobosky '59

(Naperville, IL)

We have lived in our house in Naperville for 49 years. My husband still practices law in downtown Naperville. I am busy helping start a new Arts Academy 6-8. We volunteer (on Advisory Board) at Loaves & Fishes Food Pantry & on Advisory Committee for Naperville Responds For Veterans. I am on Board of Naperville Bank & Trust. We have 4 children and 11 grandchildren.

Shirley Schloegel Kuta Utley '59

(Chandler, AZ)

So much has happened since the fall of 2021. My husband and I had to give up our lovely home in Sun Lakes, AZ and move into an Assisted Living Community in Chandler, AZ. It was a difficult move for us (me more than my Ron) but I have adapted to it very well. My husband is suffering from mild dementia among other problems. The move had to be made, and I promised him I would go wherever he had to go. We have a lovely 2-bedroom, 2-bath apartment and had to really scale down on what we could bring, but for the most part, we have everything we need in the twilight years of our lives. Our family support system lives close by and that is most important to us. In our community we have Catholic services in our small chapel once a week. There are many of us who cannot get out to attend Sunday Mass, so the church comes to us. It is always very nice. We have 80+ people in our community, and I am a Welcome Ambassador, so I know everyone in our building. I am also able to help friends who cannot get around easily with anything they may need. We have a wonderful staff of caregivers here, great food in a lovely dining room, and our housekeeping is done for us on a weekly basis. What more could one ask for? We just celebrated our first year here on Sept. 6th. We have 2 activity directors who keep us very busy. I am a pro at the game of Rummikub – a great game to keep your mind sharp.

I would like anyone who knows me to give me a call at 602-399-1562. Also, if you are visiting Arizona, please call and stop by. God bless.

Ann Norman Kim '60

(Honolulu, HI)

I have been enjoying my 2 grandchildren who live here in Hawaii (Róisín and Pól Seastrom.) I have nice long conversations with my grandsons in Portland (Thomas and Nico.) My days are filled with walking my two Australian Cattle Dogs and doing mundane chores. Yesterday I attended my first in-person Mass in 2-1/2 years. Wonderful!

(Downers Grove, IL)

Every year I write about the things I enjoy and continue to do. This includes travel, volunteering with groups and substitute teaching. Family and friends of utmost importance. The beautiful memories of the years at Sacred Heart Academy are priceless. The friendships I made became lifetime friends.

Barbara Rayniak Buri '61

((North Fort Myers, FL)

I live in North Fort Myers, FL in a 55 plus community. My companion is Daisy, an 11-year-old Shih Tzu. She enjoys visiting neighbors and golf cart rides.

I am a member of the Council of Catholic Women from my church.

I visited my family, SHA Alumnae, and friends in June and July. I will return in October to visit again.

My friend of 52 years visited me in September. We went to Sanibel and Captiva Island, the beach and Edison home.

With friends in my community I go on boat trips, play cards, dominoes, shuffleboard, dancing, and we have happy hour once a week.

Blessings and happiness for all!

Mary Graff Bozek '62

(Downers Grove, IL)

Love being back in Downers Grove. Lived in Naperville for 25 years for great schools for Special Education. Three children. Anne lives next door. Rob one mile away. Our youngest Katie is a resident of Misericordia. My husband Robert passed away from a 5 year battle with cancer on April 15, 2021. We were blessed with 55 years of marriage. He attended St. Procopius College. I am still great friends with **Marilyn Koukalik Sak**. Hope to see other classmates at reunion.

Jean Allen Nickelman '63

(Beavercreek, OH)

Family filled 2022 in so many ways. Since Covid kept them all home for 2 years, five of my six (most with families in tow) were finally able to get to our home in Mexico. When I returned from Mexico we gathered as a family anytime possible: Memorial Day and Thanksgiving, Kennedy's high school graduation (now she is cheering for University of Cincinnati), Richie and family's summer trek East for LaCrosse (and then my trip to Oregon for Nicki's 50th birthday), a wedding in Kansas on Bud's side of the family, the annual meeting with my siblings, and then the last weeks with my sister Kathi in May and June followed by the celebration of her life in October.

Now I take a deep breath and prepare for my months in Mexico. Before I do I just want to share my recent experience of joy.

The Nickelmans love sports, as fans and participants. Our 5 days of Thanksgiving together were filled with sports, cheering for our football and soccer favorites, congratulating Chris for his marathon achievements, a visit to the Columbus Crew stadium and grandkids tossing the football and kicking the soccer ball to each other. Then, alone, I watched the USA and Iran soccer match the following Tuesday. I saw a piece of

Christmas, a peace of Christmas. An Iranian was down and a USA player helped him get up, with a personal exchange between them that was beautiful. It was a moment that displayed the tone of the game, a moment of hope tinted with joy.

Christ's birth reminds me that Jesus' life showed us how to spread God's love in this world of turmoil. The small acts of kindness, consideration and care are the ways within our scope of ability. I hope Christmas brings more awareness and consciousness of our capability to give this gift of Love everyday in as many ways as each day presents to us.

(Bryan, TX)

Jim & I continue to live in the great state of Texas. Both our families live close by since my daughter & family moved back from New Hampshire this year. We plan to travel a bit more since getting through the Covid situation. Hoping to see several "old" friends at the homecoming.

(Gold Canyon, AZ)

I wish I had some good news to report, but not this time around. I was diagnosed with ALS (Lou Gehrig's Disease) earlier this year. So, sadly, I won't be attending any more SHA reunions. Please pray for me, as well as my husband and family. This is not an easy disease to live with. Looking forward to the welcoming arms of Our Lord, and His angels and saints in the next life.

God bless all of you ... and thank you for the many wonderful memories we shared at Sacred Heart Academy!

Carol Bekielewski Mejdrieh '63

(Crest Hill, IL)

In Sept 2021 Dave & I finally decided to sell our home in Downers Grove, where we lived for 35 years. The house never went on the market because our neighbors made a bid which we accepted – so started the hunt for a new home. We finally found it in Carillon Lakes, a 55+ community in Crest Hill, IL and we love it here. Going from a tri-level with a basement to a ranch home and no basement was a LOT OF WORK but we did it.

I have another party on the 15th so I will not be able to attend this year but am looking forward to 2023 and our "60th" – Love & Peace to all.

Joan Brummel Wiczek '63

(Justice, IL)

On July 25, 2022 I became a great grandmother to Alicia. Her proud parents are Larrisa (Wiczek) and Jim Greleck.

I enjoy attending senior get-togethers with friends. I also volunteer in the St. Fabian SPRED program and at Brookfield Zoo. I look forward to SHA Homecoming and seeing former (not old!) classmates.

Always brings a smile to my face when I think of Sister Laurencia (Latin class) calling on me by "Gloria" since my last name was "Splendoria".

Having lost my husband of 35 years this past April, I am praying for discernment of God's plan in my life – after having been my Mom's primary caregiver and then my husband's with dementia. I know He has a plan.

This year was a perfect example of "You never know..." The big event of the year was both scheduled and unexpected. My husband John was scheduled for hip replacement surgery on June 16th. All went well and he was discharged to home about 7 hours after surgery. Our older son Tim was here from Washington to help. About 6 hours after John came home, I slipped and fell in the family room, and, yes, really, broke MY hip. Tim called the paramedics and our younger son Rob met the ambulance at the hospital. So ... two days apart, same hospital, same surgeon, same surgery! After 5 days in

the hospital, I was discharged to home on our 53rd wedding anniversary.

We learned about the goodness and kindness of people – family, friends, and neighbors – who helped us in large and small ways through the recovery process. Moving a bit more slowly, we got back to gardening and had a record 63 plants that we thinned from our garden and placed on our parkway that were "adopted" by passers-by. I'm looking forward to seeing friends at this year's 60th anniversary of SHA graduation.

Patricia Volp Sullivan '63

(Palm Harbor, FL)

My husband of 54 years and I have lived in Palm Harbor, FL for 25 years. We are both retired and relatively healthy.

I'm into pour painting, so our house looks like a Gallery, but I do enjoy still being creative and active. My daughter Ann and her family live in Boerne, TX - her daughter Jocelyn is a freshman at Texas Tech in Lubbock and Oliver is a freshman in H.S. My son Robb is a Colonel in the Marine Corps. He is Chief of Staff at MCRD San Diego, CA. His son Aidan is a senior at Burlington College in Vermont.

Christine Koukalik Schuur '64

(Lecanto, FL)

One fond SHA memory is participating in the Investiture Ceremony held in the Sunken Garden at Sacred Heart Monastery.

This past year 2022 has also been full of wonderful memories. My husband Tom and I traveled to Orange County, CA in June to attend two graduation ceremonies – our granddaughter's kindergarten graduation, and her brother's eighth grade graduation – both held at the St. Junipero Serra Catholic School. This summer, after a memorable visit with family in Illinois, we drove to Irondale, AL and on September 2nd we attended the Eternal Word Televised Network (EWTN) Mass at "Our Lady of the Angels Chapel" there.

My husband and I celebrated our 55th wedding anniversary in May and our life together continues to be an adventure.

Kathleen Rabon Slucas '64

(South Bend, IN)

2022 has been a challenge as we made our second move in less than two years. Being legally blind and unable to drive, we - my youngest daughter (also my caretaker) - are currently renting the convent in connection with my new parish Corpus Christi, so I can walk to church where I attend daily mass and chapel,

... NEWS FROM OUR ALUMNAE ...

(Kathleen Rabon Slucas—continued)

volunteer to help with school lunches, and still able to volunteer at the local county home, also within walking distance. I belong to the Altar and Rosary Society and Choir and participate in the Fall and Spring Living in Faith Sessions. My children are doing well: Alison retired from the military and now volunteers with Flight for Life; Victoria is lead chef at Four Winds Casino; Julia teaches all the science subjects as well as other duties in a small public high school in Arizona; Matthew works close by, so is able to visit frequently and works evenings in a steel cutting plant; Elizabeth is my part-time caretaker and is an office manager handling accounts payable and receivable for a floral wholesaler.

I am sorry I cannot be with you for the reunion, but you all will be in my daily prayers and Mass intentions. I hope to make it next year. Would love to hear from any of you. My new address is 2836 Corpus Christi Dr, South Bend, IN 46628. God bless and watch over you all.

This has been a year filled with doctor visits for my husband Phil. He has stenosis in his lower back and macular degeneration in his left eye. He has received shots in both his back and eye. He had a cataract removed from his right eye in June and the other will be removed in November. I've been very busy with him and five grandchildren. I have 4 boys and 1 girl.

Between doctor visits, physical therapy, and sports schedules we've been kept very busy. I thank God that my health has been good. I'd love to hear from some of the boarders.

Carolyn Delo Scutella '66

(Schaumburg, IL)

To all my Sacred Heart Alumnae Friends: I have been enjoying living here at Friendship Village. We are still living with Covid-19 restrictions, but we can enjoy certain activities. I help in the craft room with preparations for our annual Christmas bazaar/fair. I also serve on the Spiritual Committee and schedule the weekly Resident Rosary Group. I am grateful for lessons learned from the Sisters. I hope those attending enjoy the Homecoming.

Rosemary Horna Glickley '66

(Midlothian, IL)

My husband Chuck of 53 years passed away August 29, 2021 due to a recurrence of colon cancer which we thought he had survived 14 years earlier. The hospital and staff were kind enough to allow myself and our 2 sons to stay with him. The hospital was in lockdown due to Covid-19. Our wonderful pastor was also able to make it in time. He passed peacefully with his family around him. This all was a true gift from our Lord.

PS Chuck & Lenard Sodergren graduated the same year from Marian Catholic in Chicago Heights. PSS Please keep him in your prayers.

Note: Alumnae are identified with the year they would have graduated, even if they did not complete their education at Sacred Heart.

**** SHA ALUMNAE ****

A very sincere thank you to the Alumnae who have made a dues donation to the SHA Alumnae Fund. Hi Class of '61,

Well, here we are going through another round of preventative vaccines, which I believe will be the norm from now on. Hope you are all well and looking forward to 2023.

During 2022, I finally made contact with Carole Payne who now lives in the suburbs. She had been living in Chicago for many years and recently decided to make the move. She was happy to hear we would have the Homecoming this year (2022) and was looking forward to attending.

Barb Rayniak Buri and her little dog Daisy visited during the summer and met with me, Gloria Caracello and Peggy Mosquera McCann. She was in town to visit her brother and I am sure she never expected what happened to her a couple of months later.

I know you are aware of the terrible hurricane that hit Florida in 2022 and unfortunately, Barb's home was in its path. She lives in North Fort Myers and was dealt that blow, literally. I called her to see how she was, but could not get through until she was able to return my call. She was on her mobile phone in her car in her driveway describing the destruction that hit her area. They had no electricity, some of the homes were badly damaged, and there was debris on the streets so it was hard to navigate with a car. She had some damage to her home, but not as bad as others. Some of the neighbors were without food or a way to cook it, so those that could, offered food and a place to cook. Barb said they all came together to help one another. Because the airport was shut down, she lost her reservation and didn't think she would be able to attend the Homecoming. But thankfully, by the time of our Homecoming, she was able to make it! And, Barb's dog Daisy is fine as well.

Also making the trip was Maureen Vap Ruf, who traveled from her home in Missouri with her friend Sharon. We were so glad to see Barb, Maureen and Carole again, and to have our homecoming at Sacred Heart in October, 2022, was frosting on the cake.

The luncheon was held in the Villa St. Benedict's dining area and we had an excellent lunch. We were catered to by a wonderful staff of servers; all we had to do is point and they would fill our plates, and in some instances, carry the food to our table. We all felt pretty special, but, when I thought about it..... we ARE getting older and could probably use all the help we could get. All in all, it was just great to be there and enjoy the afternoon.

After the luncheon, our group went with classmate, Sister Helen Jilek, to visit the Chapel. It had been updated through the years and was even more beautiful than I remember as a student. We reminisced about our days at SHA and what we remembered about the Chapel. It was so quiet and calming there, a definite spiritual feeling.

We then went to the lounge area at the Villa, adjacent to the dining area. *(Picture on following page.)* For those of you that could not make it, you are in our thoughts and prayers. We miss you and are hoping that you keep in touch with an e-mail or phone call as we would love to hear from you.

Take care and stay as healthy as you can.
Blessings,
