Newsletter for Sacred Heart Academy Alumnae

March 2022

~ ~ NEWS FROM OUR ALUMNAE ~ ~

We are happy to share the news gathered from SHA Alumnae. Many of you send notes throughout the year, and some update us when we gather at Homecoming. Please send along any information and photos. Your classmates are interested to hear memories of Sacred Heart Academy, as well as news of your life since. There's a form on the back of The Echo which you can use to send us your news, or include a note when you mail your membership dues.

A special thank you for reaching out and staying in touch this past year!

Joan Kuefler Bales '43
(Elkhorn, WI)

Note: Joan had submitted this note in April, 2021. In August she fell and fractured a couple of vertebrae, passing away a few weeks later.
I cooked at SHA, breakfast at St. Procopius College, St. Procopius Abbey, and St. Joan of Arc Rectory. I was a day student at SHA and walked to school every day. I am 96 years old and in good health. I live with my daughter in Elkhorn, WI.

Dorothy Skokan Myers '46
(Calhoun, GA)

I was happy to have the privilege of attending SHA 1944–1946 and to be on the 2021 Zoom school reunion. I'll be 94 in June and live with my daughter. I enjoy reading and watching sports on TV.

Joan Hollerbach Schulthesz '48
(Chicago, IL)

Submitted by her daughter Sue Schulthesz:
I am writing to inform you of the passing of my mother on July 10, one day before her 90th birthday, from cancer not Covid. Throughout her long and good life Mom remembered her time at Sacred Heart very fondly. Amongst many stories the two that I heard the most were sneaking out at night to smoke behind the Virgin in the grotto and going into town for ice cream. Mom remarked more than once that her experience at Sacred Heart did not necessarily prepare her for the "real world" but it was wonderful! I didn't discuss it with her on those occasions but I have been reflecting that she wasn't entirely correct. She left Sacred Heart with self-confidence to face the challenges and the opportunities that she encountered in her life. Of all the designations currently floating around – in

memory of, in honor of, in tribute to, etc – the one that suits the best here is in celebration of Joan Hollerbach Schulthesz.

Joan Endemann Helie '49
(Chicago, IL)

Roberta Kunka had a music lesson with Sister Electa during the summer vacation. She asked me if I would take the train ride with her – I did. I was so impressed with everything that when I got home I asked my parents if I could go. That was my eighth grade year. I was there for five years and I'm still impressed. Thank you, Sisters.

Sherry Holec Michaels '49
(Frankfort, IL)
I have fond memories of SHA.

Elizabeth Hayes '51
(Downers Grove, IL)

I remember Sacred Heart fondly for the fun I had at boarding school and the fine education I received. I also took piano from Sister Electa and played at many recitals both at SHA-SHA and over at St. Procopius. Sisters Florence and Celine were the supervisors for our class – they were outstanding counselors and really became our friends, as well. The kids in my classes were great – I particularly remember Marie Lennon – now deceased – as a lovely talented artist and seeker of truth. My best to all the '51 grads.

Evangeline (aka Angie) Aguila Clement '52
(Beaverville, IL)

"That in all things GOD may be glorified." – St. Benedict of Nursia
Human relationships maintained through phone calls and mail correspondence. Sadly missed: music ministry and mature residents at Nursing Home facility managed by Franciscan Brother Damien, Clifton, IL. My home parish St. Mary keeps update "Manna" from home Joliet Diocese. Reaching 87 years of age come spring ... still maintaining independent living skills ... in my own home milieu. So great a gift from our Triune God! Blessed too with 4 loving adult children notwithstanding their distance from home, all active with professional jobs. Renewed my vow of celibacy as SSCM Consecrated Laity Sept. 2021 – a vocation pursued after my husband's birth into eternity.
Deo Gracias!

Dorothy Miller Garhan '53

(Naperville, IL)

We will miss our annual trip to Sacred Heart again, but it's more important everyone stays safe. I'm sure we are all praying that COVID will be under control soon.

My husband Ken & I celebrated our 65th wedding anniversary on August 4, 2021. We are truly blessed.

Marie Skopec Shultz '53

(Chicago, IL)

Been a long time since all my wonderful years at SHA. I am always telling stories to my 4 children and 10 grandchildren of those great years. Have been very blessed. I have one daughter that lives in Naperville, just 2 miles from SHA, always within my sight when visiting her. I lost my husband 2 years ago. Thank you, Sisters, for all you have done for all of us that were in your care. God bless.

Mary Ann Yackley Walz '53

(Somonauk, IL)

A quiet year for me. I fell in April so stayed home. For over a year I have watched Mass that was livestreamed from my church. Happily for the last two weeks I have been able to attend Mass at St. John Baptist Church again.

The Echo will be especially appreciated this year as not seeing my friends and classmates. Blessings to all.

Anita Lois Bosen Kvitek '55

(Lake Barrington, IL)

I recently moved to Lake Barrington Woods and am happy here. My family keeps growing – I now have 12 great grand babies and one coming in October. I am truly blessed. I have been vaccinated and so far have not gotten sick.

Therese Buc '55

(Palos Hills, IL)

My guest at the Zoom Homecoming is Fred Olszowka, husband of **Lorraine Kolanko**, one of my classmates of 1955. They married at age 20 in August 1958. Lorraine was an only child and considered me as her sister. The two of us were classmates since Kindergarten until graduating SHA in 1955. We logged in on his computer. Mine does not have a camera.

Lorraine's father owned a liquor store and donated the soft drinks for our Senior prom. Fred and his friend, Donald Kwak, delivered the soda to the

Sisters at the Academy in Lisle. Needless to say, they had no contact with Lorraine, only the Sisters. During their married life Fred and Lorraine had 5 children, 4 girls and 1 boy. Unfortunately, she was diagnosed with cancer and God called her home in October 1979. I am the Godmother for all 5 children and have remained a very good friend throughout the years. Everyone calls me Godmother and considers me a family member, attending all family activities, i.e., birthdays, holidays, etc. His children married and he has a total of 5 grandchildren. I never married.

Two of Fred's granddaughters married last year. They are sisters. Sarah Salazar had a baby boy (Lucas) on October 9, 2021 and her sister Lauren Whims is expecting a baby girl in January 2022. That makes Fred a Great Grandpa.

My only living family member is my brother, Joseph Buc. He is 2 years older than me. He attended St. Procopius High School in Lisle and graduated in 1953. He also attended St. Procopius College and graduated in 1957. He was a Math teacher and is now retired.

I am a local officer of 3 Catholic fraternals but due to COVID-19 my social life is very, very limited. Since the outbreak the fraternals conduct their meetings virtually on the computer and have no social activities. I belong to Sacred Heart Parish and attend Mass wearing a mask and keeping social distance. I also attend their Senior meetings and weekly bingo.

May the Good Lord Bless you and the Sisters. Stay safe.

Carol Karvon '55

(Chicago, IL)

Let's pray and hope for better times next year. Everyone please stay safe and well. This too shall pass. I've been doing the same thing as most people – staying home, trying to stay Covid-free – got my vaccinations, masking, etc. Looking forward to when I can visit and hug my kids and grandkids. I can't imagine what people did during the "Spanish Flu" – at least we have phones, TV, internet and can keep in electronic contact with each other.

Thank you for book marker.

Mary LaVerne McCabe Haubl '55

(Lincoln, CA)

It has been quite a year with trying to stay healthy. We now have our shots. Are back to being with children & grandchildren. Hope to get back to

(Mary LaVerne McCabe Haubl—continued)

volunteering after our state is open. I would be interested in a Zoom meeting. Travel back to Chicago is not in our future. My husband is not able to travel that far. Always enjoy news from SHA.

Judy O'Hara '57

(Whitehall, PA)

Many happy days at SHA – especially with my friends **Nancy & Sally Doolin** and **Anita Tommasone** (now Anita Masters). Anita and I remain in touch and I consider her one of my dearest friends. We lost both Sally and Nancy through the years, but my memories keep them alive in my heart. God bless all and especially the class of 1957.

Judy/Julie Cosentino/Freda Provenzano '58

(Glen Ellyn, IL)

So grateful to the Benedictines – from when I was at St. Joseph Bohemian Orphanage, and then at Sacred Heart Academy my high school senior year and graduation. Also all the years of many sister friends.

In February 2020 my family celebrated my 80th birthday with me at Sacred Heart. We went to Mass and enjoyed a great lunch with the Sisters. God bless you all.

Valdina Fink Creasy '58

(Wilmington, NC)

I enjoyed the March edition of the ECHO. I did not graduate from Sacred Heart Academy; my Alma Mater is Marywood School for Girls 1958. The memories at SHA during my freshmen and sophomore are somewhat clear. I remember a club 5 of us formed, can't recall the names of all the girls but two were from Indiana, one Maryann, the other Betty.

I started in the dorm room closest to the convent; there were 10 beds, space became available and we moved to the other end of the floor where there were many beds.

Pat Slezak (taught me to dance) and **Pat Decker** (demonstrated the value of family and love – she and her siblings were from the orphanage) were two classmates very special to me.

I have no special news; I am just pleased to be able to communicate with the past. The memories are distant but valuable. Special thanks to Sister Judith Heble for keeping me informed about the new SHA.

Benay-Karen Cobe Watson '59

(Naperville, IL)

My fondest SHA memory is watching the nuns pray the Divine Office at night before going to bed. There was a tiny balcony on the 4th floor where I loved to hear the Gregorian chant and prayers. Such beautiful memories!

My life is quiet I read hours a day and see my daughter and her 2 children – John and Alison – all the time. I am still friends with 2 classmates:

Louise Pytel Jachim and **Judy Cosentino Provenzano '58**. I am blessed!

Suzanne Friedrich Connors '60

(Lake Geneva, WI)

Continue volunteer work for 3 organizations and help locally when needed. Husband still works so do not travel much.

Alice Nykl Sima '60

(Downers Grove, IL)

I retired from Benedictine University December 2019. For the pandemic year just sat at home. I am a member of the Board of Friends of Imiliwaha and all of our meetings at that time were via Zoom. Our work has continued. I am now President of the Board and we meet in person at Sacred Heart Monastery. Look us up and see all the wonderful work which has been done and continues: friendsofimiliwaha.org

September 4-12, 2021 took a Viking River Cruise on the Danube. Enjoyed seeing Budapest, Hungary; Bratislava, Slovakia; 3 cities in Austria and Passau, Germany.

Barbara Rayniak Buri '61

(North Fort Myers, FL)

In July, 2021 I had the opportunity to visit with SHA girls, my brothers, sister, grandchildren, great-grandchildren and friends.

In November, 2021 I adopted a 10-year-old Shih-Tzu rescue dog. I named her Daisy. She is a joy. I live with a female roommate in North Fort Myers, Florida in a 55 plus community. I keep busy by cooking, gardening, puzzles, art classes, swimming, bike riding, reading and various community activities.

In October I was rosary captain for our church.

For Thanksgiving I visited sister and family.

I had COVID the first two weeks in January. I am glad to say I am now negative and feeling a lot better.

I wish everyone a blessed year!

It was such a joy to get together on Zoom!!! I love Sacred Heart!

Jean Allen Nickleman '63

(Beavercreek, OH)

Family is my main focus. Six children & their spouses have given me 15 grandchildren to spoil (ages 25 through 5) and 2 great grandchildren to cherish.

My winters are spent in my Mexican home on the Pacific. Family & friends visit frequently.

After 10 moves during our 20 years of US Air Force life, I have been settled in suburbia Dayton, Ohio for 34 years. Both my homes are open for visitors.

Carol Bekielewski Mejdrieh '63

(Downers Grove, IL)

We are in the process of selling our home in Downers Grove where we have lived for the past 37 years and are buying a home in Carillon Lakes, Crest Hill. Getting rid of all these "treasures" we have accumulated is a big task for sure. We pray daily for an end to this terrible virus and that our family & friends continue to have good health. Hope to be seeing everyone next year – stay safe.

Thankful and blessed to be living & working in a small town community during Covid. Country living surrounds our cattle ranch with family close by and able to enjoy each day.

Rose Splendoria Braido-Hall '63

(Island Lake, IL)

One of my fondest memories is of Mother Mary Louise reading about the Von Trapp family in American History class.

The highlight of 2021 for me was the marriage of my eldest grandson in November. It was a typical Italian wedding and brought back many memories with my family as I grew up.

I still use the shorthand I learned in Mrs. Myers' class in many facets of my life J!

Barbara Stalmach Hocking '63

(Lombard, IL)

The year came with many restrictions, but also

many blessings. John and I are grateful for all the people who have touched our lives. We are blessed with wonderful family and friends. We look forward to increased time with all as the pandemic conditions improve. Greetings to all at SHM and alumnae. Homecoming 2022 is on my calendar!

Carol Brummel Hinterlong '64

(Somonauk, IL)

I remember walking to the grotto with classmates to pray the rosary at SHA. Doing that increased my devotion to our Lord's blessed mother at a young age and now into my senior years.

My husband and I have been blessed with our first great-grandchild; my mother, age 97-1/2, is now a great-great grandmother. Life has many joys!

Christine Koukalik Schuur '64

(Lecanto, FL)

I have fond memories of my day classes & delicious hot lunches prepared daily. The milk was especially creamy & delicious and the bakery was exceptional. The '64 Investiture on the SHA grounds was a beautiful ceremony and one which I will always cherish.

Marilynne Rose Matt Kowalski '64

(Baileys Harbor, WI)

Submitted by husband David:

It is with great sadness that I inform you of the death of Marilynne Rose (Matt) Kowalski.

Marilynne graduated in 1964 from Sacred Heart Academy and was the in last class to have boarded there.

Marilynne was for me the pearl of great price. We were talking about our 50th wedding anniversary, when pancreatic cancer made itself known. I wanted 50 years and another 50. We made it to 49 years and 49 days, and Marilynne went with Jesus peacefully as was her wish, at home in her own bed with family present.

49 years for us was better than 50. Our grandson asked us what our favorite number is, and I said 7 because it is the perfect eternal number. I asked Marilynne, who also said 7 but gave no explanation. Now $7+7 = 14$ and $7 \times 7 = 49$.

Marriage Encounter, of which we were a part, says marriage takes 3, and God is perfect and eternal. $7 \times 3 = 21$ and the year is 2021. We have 4 children and 10 grandchildren, total of 14. God is with us!

My husband David Fritz died 8/10/21.

As a boarder, I look back on the good study habits I had and used for further education. I learned to not have my parents with me every day and to make decisions on my own. I made so many friends and keep in touch with them now! Day students and boarders!

Bernadette Shonka '64

(Knox, IN)

I would have been class of 1964, but had to transfer middle of Jr year to help on family farm in Knox, IN. So I didn't get to graduate from SHA. Was Frosh 60-61; Soph 61-62; Jr 62-63; transferred maybe Dec 62 to Knox; then finished Jr & Sr years in Knox, IN at Knox High School, graduating in 1964.

I would love to be back in contact with former classmates.

Theresa and I (blood sisters) are both lay Oblates at St. Procopius. I still feel that Lisle, SHA, and St Procopius are family. I will be buried at St Procopius Abbey cemetery. I want to be part of any and all functions. Sacred Heart was home for many years. Our former teachers - now laid to rest at St Scholastica Cemetery - are very dear to me. We are living in very important times - and we have a mission! God has each of us here in this time in history for a specific purpose.

Thank you for the blessing of the statue of St. Benedict bookmark. I still have the St. Benedict medal in my coin section of my wallet. I have carried it since Sister Rosemary, OSB gave it to me in the 60s.

I enjoy the updates and alumnae news. I live in

Texas so have not been able to attend any of the reunions.

I graduated from Sacred Heart Academy in 1965. I was an aspirant (hoping to become a nun) and lived in the dorm. Sister Christine Kouba and I have talked by phone, and I emailed her some pictures of Our Lady Queen of Peace school. She taught there and taught me in 5th grade.

I have been busy here at Friendship Village Senior Living. I help do the "Behind the Scenes" work to keep the Craft Activities Committee in order.

I also joined the Spiritual Committee.

I learned from the Sisters that work helps other people but most of all myself. The Benedictines taught me lessons that can be applied life-long.

Thank you, Sacred Heart Academy!

My husband of 52-1/2 years died of complications of Covid on 12/28/20. Even though I was quarantined at home with a light case of Covid myself, I was allowed to go into ICU to be with him when he died. As his doctor said "You've already got Covid – what difference does it make now?" When Len heard my voice, his eyes flew open and he reached for me. I just got into bed with him and held him. He went from my arms into God's.

Note from the editor: Sincere apologies for omitting this lovely reflection which was originally submitted and intended for the 2021 Echo.

Since I have been at home reflecting on many people who have inspired me, I would like to share a few thoughts on my teachers at Sacred Heart Academy who have impacted my life. I hope that teachers at the Sacred Heart Monastery/Benedictine Sisters of the Sacred Heart can find joy in the appreciation I have for teachers who inspired me in my professional and personal life. I truly cherish Sister Joella, history teacher, who gave me the desire to investigate and appreciate all aspects of history. I use this inspiration in my work as a volunteer art, architecture, and sculpture docent at Crystal Bridges Museum of Art in NW Arkansas.

Sister Alice Marie, Geography teacher, gave her students the insight into other countries and climate effects. She taught us to examine our environment and question our effects on our environment - way

before the investigations of climate change.

Sister M. Constance, English and Drama teacher, inspired me to explore my curiosity as a novice writer in my various professional careers. Although I did not appreciate all of my training in Latin by Sister Laurencia, I used the Latin education in my career in the medical field as a speech pathologist and later in medical and pharmaceutical sales. Who knew that a dead language would be so helpful?

Sister M. Therese, Biology & Science Teacher, whetted my appetite for the applied sciences. I fondly remember her DNA models.

Yes, teachers, you do make impact on your students and I would like to thank you for the many hours you spent in preparing those lesson plans and class discussions.

May you continue to inspire the next generation of teachers!

Note: Alumnae are identified with the year they would have graduated, even if they were unable to complete their education at Sacred Heart.

***We remember our deceased Alumnae ...
May they rest in the peace of Christ.***

We certainly hope to see many of you again at Homecoming 2022!

Class of 1961

Hi Class of '61,

The past couple of years have been devastating for many and I hope we will soon see a ray of hope and be back to normalcy soon.

With that said, I am happy to say that we did manage to have our 60th reunion via Zoom in October, 2021. This Zoom was a first, and although small in attendance, was a success. Our class attendees were: Barbara Rayniak Buri, Gloria Caracello, Sister Helen Jilek (Zoom host), Theresa Shonka Palmer and me, Rosanne Carter Polich.

Since this Homecoming Zoom was open to all who wished to attend, we were joined by other classes. Alumnae from 1946, 1955, 1960 and 1964 also participated.

All in all, it worked very well and what made it even more appealing was the fact that we had conversations with other classes that we normally don't get the opportunity to talk with in the normal luncheon setting. We thought the "meeting" would last about an hour, but turned out to be around three hours. Thank you to Sister Helen and Beth Hemzacek for making this happen. Great job!!!

Now, here is a contributing note from classmate Gloria Caracello:

"It's that time of year again that we let our SHA classmates and friends know what we have been doing. I enjoy reminiscing about our high school years; the great education we received and the friends we made. The year 2021 has been very busy for me. I am involved in organizations throughout the year that take time and preparation. My long time passions are substitute teaching in the Catholic elementary schools, and traveling in and out of the country.

In September, Alice Nykl Sima '60 and I took an amazing River Boat Cruise on the Danube River. The cruise took us to Budapest Hungary, Bratislava Slovakia, Krems, Linz, Vienna Austria, Passau Germany, and Prague in the Czech Republic. Each of these countries has their own flavor; the culture, architecture, food and beauty.

I took another trip to Newport, Rhode Island in December. I went to the beautifully Christmas decorated Breaker Mansion and Marble House Mansion, went aboard the Dickens Train, and took a ride on the Polar Express. I also saw several historical sights. A fun trip to remember.

We are now in 2022, and my prayers are that everyone and their families are doing well."
Peace, Joy, and Love, Gloria Caracello

More News:

Barb Rayniak Buri did manage to fly in from Florida and visit with us in 2021. One of her visits was captured by a photo at Maggiano's Restaurant in Naperville where we met for lunch on a cold day in November. I am sure Barb was ready to go back to Florida by then. Barb also brought along some of her paintings, which is her hobby. She was nice enough to offer them to us as a keepsake. Thank you, Barb.

I also communicated with some classmates during the year via phone and/or e-mail: Georgia (Jean) Schloegel Mills, Maureen Vap Ruf, Donna McNulty Cellini, Mary Filipkowski Lein, Barbara Haas Koth, Peggy Hill Yale, Joy Price Kacena, Pat Donlan Ryan, Joyce Green Hoffman, Mary Claire Schmitt Havel, along with those already mentioned in this article.

They are all doing well and send their best wishes to all.

L to R: Judy Beumer, Rosanne Carter Polich, Barbara Rayniak Buri, and Peggy Mosquera Mc Cann.

(Class of 1961 continued)

On a sad note, we lost Phyllis Jacobs Tannenbaum on September 6, 2021. Phyllis was a beautician for over 30 years and was well known for her flawless hair and style. Her devotion and sacrifices for her family throughout her life showed what a kind and loving person she was. "She loved her family above all else and will never be forgotten." Phyllis was preceded in death by her husband, Robert, her sisters Dolores and MaryLee and brother, Paul. She is survived by 5 children and 12 grandchildren. Please keep her in your prayers.

In conclusion, maybe we will again be able to have our Homecoming at Sacred Heart in October, 2022. If not, maybe another Zoom meeting??

Take care and stay safe!!!
God Bless,

**** SHA ALUMNAE ****

A very sincere thank you to the Alumnae who have made a dues donation to the SHA Alumnae Fund. We use your donations to print and mail The Echo and the homecoming invitations to almost 500 Alumnae, as well as for expenses associated with Homecoming. I ask all of you to consider supporting the Alumnae Fund. Donations may be made at any time.

Only a handful of Alumnae (4) indicated they would prefer receiving an e-version of The Echo, rather than the paper version. Taking this response into consideration, we will continue printing and mailing out the paper version

The Echo - including past issues going back to 2011 - may also be viewed on the Sisters' website at www.shmlisle.org
